Philippine Tax Academy to Convene an Executive Forum on Local Finance Management and Natural Resources Governance

The Philippine Tax Academy (PTA), a learning institution mandated by Republic Act 10143 to conduct all the training and continuing education programs for tax and customs collectors and administrators of the government, is pleased to announce its upcoming Executive Forum on Local Finance Management and Natural Resources Governance, taking place on April 26, 2024, at the Diamond Hotel Manila.

This forum focuses on ensuring judicious financial management and good governance of natural resources, and is designed for local government officials, executives, and practitioners interested in learning about new developments, innovative solutions, and best practices for optimizing revenue generation at the local government level. It features four panel sessions on Municipal Bonds, Water Resources Management, Natural Resources Governance, and Local Finance Management focusing on “LGU Access to Finance in the Age of the Mandanas Ruling”, with resource speakers from the Asian Development Bank, Water.Org, UPLB College of Forestry and Natural Resources, and Bureau of Local Government Finance, respectively.

With DOF Secretary Ralph G. Recto set to deliver a keynote message, this forum will provide participants with valuable insights that they can use to improve the financial health of their communities and ensure the sustainable management of natural resources.
